turers of Dr. Sage's Catarrh
Remedy, for a case of Ca-
tarrh in the Head which
they cannot cure.

SYMPOMS OF CATARRH—Dull, heavy
headache, obstruction of the nasal passages,
discharge failing from the head into the throat,
sometimes profuse, watery, and acrid; often
this, together with mucous discharge, being

a ringing in the ears, deafness, hacking or
coughing to clear the throat, exhalation of
offensive matter, toothache, with various ul-
cers, the tongue is enlarged and has a "hairy"
tongue; the breath is offensive; smell and
taste are impaired, there is a sensation of drowsi-
ness, with mental depression, hacking cough
and general debility. These symptoms are likely to be present in
any one case. Thousands of cases annually,
without medicinist half of the above symptoms,
result in consumption and end in the
grave. No disease is so common, more de-
ep, and dangerous, or less understood by phy-
sicians.

Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh, "Cold in the Head,"
Coryza and Catarrhal Headache.

Sold by druggists everywhere; 25 cents.

"Entitled Agent from Catarrh."
Prof. W. H. HARVEY, the famous magnetist,
of Utica, N. Y., writes: "Some ten years ago I
suffered untold agony from chronic nasal catarrh.
My family physician gave me up as
hopeless, and said I must die. My case was
so bad he could even find no place to bury me.
My voice had become so hoarse I could
hardly speak above a whisper. In the morning
I would sneeze and clearing my throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man again, and the cure has been permanent."

"Constantly Hawking and Spitting."
THOMAS J. RUSHING, Esq., 2802 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At first I could
hardly breathe, and constantly hawked and
spat, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now well again. I have it to thank
for a sure remedy for catarrh, now manufactured,
and one has only to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valuable
hints as to diet, diet and other matters
of importance, will be mailed, postage paid to any
address, on receipt of a two-cent postage stamp.
